WHAT IS TEEN CHALLENGE?

Teen Challenge provide youth, adults and families with an effective and comprehensive Christian faith-based solution to life-controlling drug and alcohol problems in order to become productive members of society. By applying biblical principles, Teen Challenge endeavors to help people become mentally sound, emotionally balanced, socially adjusted, physically well, and spiritually alive.

TEEN CHALLENGE OFFERS

HOPE: The parole board said to me there was "no hope" for someone like me, "keep him locked up for as long as you can". Once I was done serving my time, a friend took me to Teen Challenge where I discovered a bible verse that says: "Those who HOPE in the Lord will renew their strength and soar on wings like eagles". Isaiah 40:31 For many years I was hopeless, but now I can say that **hope lives here**.

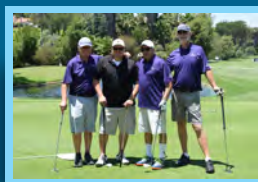

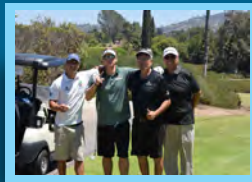

FREEDOM: My addiction spiraled out of control and along with imprisonment, my freedom was taken away. In Teen Challenge, the Lord took away the desire for drugs. He filled me with joy and peace. I decided to let God take control over my life and discovered that **freedom is found here**.

CHANGED LIVES: My time in the Teen Challenge program changed my life. It changed my relationship with my parents and I began to regain trust with those I had violated for so many years. Many years later I am still free from addiction and I help others find out that **changed lives do leave here**.

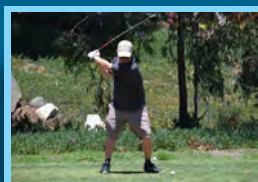

"He is Lord of All"

"This was our first tournament with Teen Challenge and the whole team enjoyed the day. My other team members were not familiar with the organization and are impressed with what you do. I like the idea that you give everyone a chance to win the tournament. We look forward to next years tournament.." - Larry Youngkrantz

"The Teen Challenge Tournament is a blast to play in, well run and supports an amazing cause." - Dan Hitzhusen

"What a wonderful day we had at the Teen Challenge Golf Tournament. I invited a guest who owns a professional golfers college. He commented that he had never been to a better run event, and that his school endeavors to teach professional golfers the very things we witnessed and experienced at the Teen Challenge tournament."

- John R. Tate / Golf Design USA
